Personal Perceptions – MarketBuilders News Desk

Managing Partner and CEO Mr.Rajesh Abraham has a Canadian background from the days he spent at Schulich School of Business at the York University in Canada. Rajesh and MarketBuilders have been in touch with the Trade Commissioner's office, in the past we have been glad to share our insights when we have been contacted. Canada is one of India's key partners in trade and in accommodating the Indian diaspora into Canada.

Quoting from a Wikipedia reference on the Canadian Governor General's role "...It is no easy thing to be a governor general of Canada. You must have the patience of a saint, the smile of a cherub, the generosity of an Indian prince, and the back of a camel"

During the course of the event Mr.Abraham had the opportunity to interact with His Excellency The Right Honourable Mr.Johnston. In the words of Mr.Abraham "His Excellency had a completely disarming charm. He recollected his fond association with Schulich Dean Mr.Dezsö J. Horváth. It was a humbling experience to have met the highest in position representative of a government."

Luncheon interactions with Members of Parliament accompanying the entourage, business delegates, consular corps and other business invitees was a great way to catch up on new ideas and developments. In an interaction with Mr.Rezwan Razack Joint MD at The Prestige Group a leading real estate development firm headquartered in Bangalore,

Mr. Abraham congratulated him on his being awarded the commemorative visit medallion for his involvement in the 'Terry Fox Run' and other philanthropic activities.
